

IPFW ATHLETICS

Exit Interview

To be used only for Student-Athletes who are NOT returning

NCAA bylaw 6.3.2 requires IPFW to conduct exit interviews with student-athletes who are leaving the athletics program. This includes those students who have graduated, exhausted their eligibility, are transferring (see Transfer Protocol), voluntarily resign from the team, or are dropped from the team because of the coach's decision.

The form's purpose is to allow the University to better understand the experiences of IPFW student-athletes. An athletics administrator will evaluate each departing student-athlete's: academic progress; athletics participation; adherence to team, University, and/or NCAA rules and regulations; and the fulfillment of obligations to the program. All responses are confidential and identifying details will not be shared with any coaches or staff members. The intent of the interview is to ascertain student-athletes' honest feelings about their experiences at IPFW.

This form must be completed by one of the following athletics administrators (i.e., not the team's coach), in consultation with the departing student-athlete:

- Faculty Athletics Representative, Dr. Elliott Blumenthal
- Athletics Director, Tommy Bell
- Senior Woman Administrator, Kelley Hartley (excluding WVB S-As)
- Compliance Coordinator, Lauren Wilson
- Academic Advisors, Leslie Clark and Chris Kuznar
