

INDIVIDUAL ATHLETICALLY-RELATED ACTIVITIES LOG

Office of Athletic Compliance

INSTRUCTIONS:

Use Section I of this form to record those student-athletes who participate in individual skill sessions. In Section I, "Team Hours" equals the number of hours the student-athlete participated in team sessions in addition to participation in individual sessions on the same day.

Use Section II of this form to record those student-athletes who participate in athletically-related activities that exceed the daily hours for the corresponding week.

Skill Instruction Legislation:

- **Sports other than Baseball:** During the off season, NCAA Bylaw 17.1.6.2.3 permits more than four (4) student-athletes to be involved in skill related instruction from September 15 through April 15. However, prior to September 15 and after April 15, those out-of-season teams may have no more than 4 student-athletes involved in skill related instruction at any one time in any facility.
- **Baseball:** During the off-season, NCAA Bylaw 17.1.6.2.3 permits more than four (4) student-athletes to be involved in skill-related instruction from September 15 to one week prior to finals week for the fall term; and from January 15 through April 15. No more than four (4) student-athletes may be involved in skill-related instruction at any one time in any facility prior to September 15 during the fall; and prior to January 15 and after April 15 during the spring.
