The initial grant-in-aid of \$ _____ for student-athlete: _____, social security number _____ has been increased to \$ _____ in accordance with **NCAA Bylaw 15.3.4.2 (Increase Permitted)**. **IPFW Athletics Department certifies the increase as follows:**

1. The grant-in-aid is being increased between the period of time when the student-athlete signed the financial aid agreement and the beginning of the period of the award;
2. The increase was subsequent to the date on which the student-athlete received any benefits as part of the student's financial aid grant (which is determined on the first day of class for any particular academic term or the first day of practice, whichever is earlier).
3. An institution may increase the student-athlete's financial aid if the institution can demonstrate that such an increase is unrelated in any manner to an athletics reason as prescribed in **Bylaw 15.3.4.3**, which states that, institutional financial aid based in any degree on athletics ability may not be **increased, decreased** or **canceled** during the period of its award for the following:
 - (a) It is associated with the student-athlete's ability, performance or contribution to a team's success, or
 - (b) An injury that prevents the recipient from participating in athletics, or
 - (c) Any other athletic reason.
4. The increase is not contingent on any athletically-related condition that specifies performance (specifically playing a position at the direction of athletic staff). (*Bylaw 15.3.4.3.1*).
