Consulting, Automation & Renewable Services*

## **Calling All Recent Electrical Engineering Graduates!** Kickstart Your Career - Apply Today!

Step into an exciting career with ENTRUST Solutions Group as a Design Engineer!! Immerse yourself in critical utility projects, where you'll gain invaluable insights and hands-on experience. As a leader in engineering services for gas and electric utilities, we specialize in engineering, designing, upgrading, and maintaining system assets. In this role, you'll be at the cutting edge of innovation, driving the design, upgrade, and maintenance of these critical systems.

We are seeking Design Engineers in **Fort Wayne/Auburn, IN**. This role involves local travel for occasional site visits and fieldwork, as well as office visits. Candidates should be located near the Auburn [ENTRUST office](#) and willing to work in the office. In this role, you'll leverage your technical expertise to ensure design and meet project specifications. You'll communicate challenges related to scope, schedule, and quality, and collaborate with Designers and Drafters to complete design packages. In this role, you are enabled to be at the forefront of integrating artificial intelligence (AI) and utilizing tools such as, Microsoft Copilot, bespoke AI workflow tools, and an IT team dedicated to continuous improvement and innovation to enhance our operations and drive efficiency. All employees can engage with the Digital Transformation Team to support the integration of new tools and follow employee ideas to drive success for the business.

### **What We Offer:**

- A supportive and inclusive work environment that values respect for all and encourages innovation.
- Opportunities for professional growth and career development.
- Competitive salary and comprehensive benefits package, including generous paid time off, 401(k) with company match, tuition reimbursement, and flexible work schedules.
- This position pays between \$72K and \$76K annually and is an exempt position. Benefits offered include company-sponsored medical, dental, vision, and 401(k) plan with company match. Also offered are tuition reimbursement, voluntary life, disability, critical illness, accident and hospitalization plans. HSA or FSA medical accounts and FSA-dependent care and transportation/parking accounts are also available. These benefits are subject to employee contribution amounts generally set annually.
- Full-time employees are eligible to earn PTO hours.
- May be eligible for a discretionary bonus as determined by the company.

### **Minimum Requirements:**

- Electrical engineering major
- Located near **Fort Wayne/Auburn, IN** ENTRUST office and willing to work in the office.
- Must have a valid driver's license without restrictions for occasional fieldwork and site visits

### **Preferred Qualifications:**

- EIT certification
