For Thesis students

Provide single-sided, printed copies of your approved final thesis to the Department of ECE to get bounded. The Department of ECE will cover the costs of binding for:

- one copy for the major professor,
- one copy for the Department of ECE,
- one copy for the student

If a student wants more than one bound copy for their personal use, the student will be charged \$45/per thesis to have them bound. Please make checks payable to: PFW Department of ECE. Email to Professor Guoping Wang (wang@pfw.edu) the final electronic version of the thesis (the one that was approved by the ETD administrator).
