

## LICENSURE TESTING

**In order to obtain an Indiana teaching license, you must pass licensing exams.** There are 2 types of exams required:

1. Content exam(s) in your licensing content area(s)
2. Pedagogy exam in your developmental area

### INDIANA TEST ASSESSMENTS FOR EDUCATOR LICENSURE

**The following information is for Purdue University Fort Wayne teacher candidates.**

Registration and study materials for the ETS Praxis Assessment and Pedagogy exams are at [ets.org/praxis/in](https://ets.org/praxis/in).

## PRESCHOOL - HIGH SCHOOL INDIANA LICENSING

After you have completed the required course work for your education program which includes student teaching, you will graduate from Purdue University Fort Wayne with a Bachelor of Science degree.

Upon successful graduation, passing the state required exams, and obtaining certificates in both CPR and suicide prevention, you will be ready to apply for an original Indiana license.

Instructions on how to apply:

- [School Services License](#)
- [IMAP](#)
- [Renew License](#)
- [Administrative License](#)
- [Conversion](#)
- [Out-of-state Applicant Information](#)

About every seven to ten years, the state updates the requirements to earn an Indiana teacher license. The rules for those requirements are often referred to by the law that was enacted to update the requirements. Since August 23, 2018, the current licensing rules are referred to as REPA3.
