

1. Does my grade 6-8 project need Pre-Experimentation Review?

If you answer **YES** to any of these questions your project requires Pre-Experimentation Review by the IPFW Scientific Review Committee (SRC). Do not start your experiment until that review is complete and your teacher has received the SRC recommendations.

1. Does your project involve human subjects/participants?
2. Does your project involve vertebrate animals?
3. Does your project involve microorganisms?
*NOTE: Grades 1-8 should **not** be doing bacterial studies.*
4. Does your project involve human or animal tissue?
5. Does your project involve hazardous chemicals or devices?

NOTE: Grades 1-8 should not be using hazardous chemicals, devices, and/or activities.

For definitions of human subjects/participants, vertebrate animals, microorganisms, hazardous chemicals/devices etc. see the ISEF Rulebook at www.societyforscience.org/isef/document

2. **Deadline** to submit forms to IPFW for Pre-Experimentation Review is **Wednesday, January 30, 2013**

- **By MAIL:**
