

Junior & Senior Division (grades 6-12)

Information on Fair Advancement

NEW Regional Awards

The Regional Fair will identify and recognize 1-2 students (at the judge's discretion) in each division for the ***Outstanding Project Awards*** regardless of a student's intention or availability for attending the Hoosier State Fair. Advancement to the State Fair will be based on selection by judges and student availability. Senior Division students must be able to attend the State Fair to be eligible to advance to the International Fair.

The State Fair will be on Saturday, April 2 at Ivy Tech in Bloomington. Students are responsible for their own transportation to the State Fair.

Please indicate whether or not you can attend the State Fair if you are chosen to advance, by completing the form below and submitting it to the Display Inspector.

Print Student Name _____

School _____ Grade _____

All Junior and Senior Division students complete:

- ☐ Yes, I am available and will attend the State Fair if chosen to advance
- ☐ No, I am not available to attend the State Fair

Senior Division students continue here:

The International Science & Engineering Fair will be held in Los Angeles, California from May 8-13. The Science Education Foundation of Indiana (SEFI) handles funding for the transportation, lodging, and most meals for the International Fair Indiana participants.

- ☐ Yes, I am available and would attend the International Fair if chosen to advance
- ☐ No, I would not be available to attend the International Fair

Students chosen to advance to the State Fair must attend (with their parent) a brief but important meeting after the Junior/Senior Division award ceremony.
