

Email Update: Feb. 17, 2015

Greetings Affiliated Fair Teachers,

THE SCHEDULE AND FAIR DATE DETAILS have been posted on the Regional Fair website www.ipfw.edu/scifair and can be linked from the homepage under FAIR DATE DETAILS. Please make sure participants and parents are aware of these items:

1. Fair schedule
2. Letter for Participants and Parents
3. Display Rules

If the parent/guardian is not accompanying the student for display set-up, they should print a Student Information/Media Consent in advance and send the completed signed form with the student to turn in at display inspection. For all others this form will be available at each table location at set-up.

If a student uses photos of other people (besides themselves) in their display, they need a signed Photo Consent for those pictured, including a parent/guardian signature if subject is under age 18. These consents stay at the display.

DISPLAYS THAT REQUIRE ELECTRICITY

If a display requires electricity, that must be indicated when registering students using the SEFI online fair registration. For grades 4-5 it is the last question on the registration form. For grades 6-12 it is listed on the ABSTRACT page.

Due to the limited number of electrical outlets and their locations, we must know in advance which displays will need it. It can't be added the day of the fair.

If a student doesn't need a table because their display is a "floor display" contact us by Feb. 20 to arrange that.

FAIR REGISTRATION DEADLINE

Friday, Feb. 20 at 5 p.m.

If you have any questions regarding the registration process, please contact Caryl Spira 260-481-5756 or spirac@ipfw.edu.

PAYMENT

Please mail the project payment (\$10 per project) by March 4th.

Check or money order payable to IPFW.

Mail to:

IPFW

Science Fair Program Asst. - ET 243

2101 E. Coliseum Blvd.

Fort Wayne, IN 46805

Let us know if you have any questions.

The contact information for the Fair Director, Carol Dostal is 260-481-6905, email dostalc@ipfw.edu.

Thank you,
