

Human Photo/Video Release

NOT ALL PARENTS WILL NEED TO COMPLETE THIS FORM

This form is ONLY for adults and parents of minors OTHER than the student researcher(s).

From the [Regeneron ISEF 2026 Display Guidelines](#)

- 1.) Any photograph/visual image/chart/table/student-created logo and/or graph is allowed if:
- It is not deemed offensive or inappropriate (see rules)
 - It has a credit line of origin ("Photograph taken by..." or "Image taken from...")

All visual depictions of others **require a signed photo/video release form** in a notebook or logbook at the project booth. These signed release forms must be **available upon request** during the set-up and inspection process but **may not be displayed**.

As part of the **project display** for _____,
(name of student researcher)

I consent to the use of visual images (photos, videos, etc.) involving my participation/my child's participation in this research, displayed at the Northeast Indiana Regional Science and Engineering Fair (NEIRSEF) on March 21, 2026.

This consent includes other related fairs this project may advance to.

I am signing as the parent/guardian of the following minor(s) who is(are) in the photos and grant permission for the photo to be displayed

Printed name of Adult _____

Signature of Adult _____ **Date** _____

Print the name(s) of minors included in photos
