

IPFW Directions and Parking

We apologize for the inconvenience of campus construction and thank you in advance for your understanding. Please see helpful instructions on this page and also IPFW campus maps at:
<http://www.ipfw.edu/campus/maps/>

Construction information: Please allow time for parking and covering for projects if weather is a consideration! IPFW is in the process of connecting Walb Student Union and Gates Sports Center as well as expanding the Sports complex to include a field house. As a result, construction areas surrounded by fencing are visible in front of both buildings. **Due to limited parking spaces and no turn-around access in lot P-11 (see campus map), this lot will be closed on the Fair day except for Regional Fair staff and special guests. In the morning, University Police will direct cars into the parking garage as they enter the drive in front of Gates.** Participants and volunteers may use the parking garage or alternative parking described below. If you have special needs, please contact Fair officials.

Judges: All judges will be meeting in Walb 222 for their morning meeting and lunch will be served in Walb at the completion of judging; therefore, we suggest that judges use the parking garage near Walb. **For judging, all judges will walk from Walb to Gates after the morning meeting.**

Directions to campus from E. Coliseum Blvd: Turn north at the Crescent Ave light off of E. Coliseum and pass under the Willis Family Bridge to the main campus entrance. Waterfield Housing will be on your right. Turn left to enter campus and travel to the roundabout. As you begin to circle in the roundabout, you will see parking garage #2 straight ahead of you.

Directions from St. Joe Rd.: Turn into campus at Broyles Blvd. which is shortly before the light at Crescent Ave. /Stellhorn and St. Joe Rd. (or shortly after that light if you are traveling north on St. Joe Rd.). Follow Broyles through campus until you see the IPFW digital sign and the parking garage #2 is shortly after the sign on your right.

Parking garage #2: There are two parking garage entrances. One entrance is on the side of the building by Walb Student Union. **Category and special award judges may want to use this entrance and park closer to Walb for their meeting.** The other entrance is accessed from the drive on the side of the building by Gates Sports Center. **Participants can proceed to Gates from the garage by walking to the garage vehicle entrance nearest Gates and use the walkway leading to the Gates parking lot where a fenced sidewalk alongside the building ends at the Gates lobby entrance.**

Additional parking locations: Alternative parking lots include lots p-13, p-14, and p-15 on the north side of Gates which can be accessed from a driveway off of Broyles Blvd. between the IPFW digital sign and the blue directional sign indicating the location of Rhinehart Music Center (building 15 on the campus map). Rhinehart is situated behind Gates. Participants can use the main campus walkway between Rhinehart and Gates (where you will see a Mastodon) to walk from these parking lots to enter Gates lobby.

DROP OFF: Older students can be dropped off at the drive in front of Rhinehart Center to take their display materials into Gates while parents park their vehicles. **DO NOT leave any vehicles unattended at Rhinehart Circle for student drop off.**
