

June 4, 2014

To all Registered Teachers:

As you prepare to leave school in the next day/week, we want to wish you all a relaxing, fun, and productive summer. We also want to thank you for all your work in regard to the science and engineering fair.

We also have several important announcements:

2015 Regional Fair Date: March 7, 2015

This is 2 weeks earlier than the usual date due to a change in the Hoosier State Fair. In order for our fair to advance students to the Hoosier State Fair we must hold our event at least two weeks before their fair which is on March 21, 2015.

Tentative deadline date for registration for the Regional Fair: February 21, 2015.

The location for the Regional Fair is tentatively schedule at IPFW in two rooms: Walb Student Union Ballroom and the International Ballroom. Since we will not be using the Fieldhouse, there will be some significant changes in the number of students and grades that can advance to the Regional Fair. Additional details will be available and posted on the NEIRSEF website as soon as they are finalized. We will continue to communicate to all of you through the email addresses that you provided when you registered at the SEFI website. If you would like to submit a different email, please contact Caryl Spira at spirac@ipfw.edu

Thanks again and have a great summer!

Carol Dostal

NEIRSEF Director
